

CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D.C. 20505

24 MAY 1983

Mr. Donald E. Keith
Division Administrator for Northern Virginia
Virginia Department of Highways & Transportation
P.O. Box 429
Fairfax, Virginia 22030

Dear Mr. Keith:

Enclosed are two copies of a revised agreement covering our respective responsibilities in performing proposed work at the Agency's main entrance and Route 123. Mr. Fitzwater has signed both copies. Upon return of one copy signed by Commissioner King, \$20,000 will be transferred immediately to your Department.

Along with several minor wording changes, there are two substantive changes that have been made to the proposed agreement submitted with your letter of 29 April 1983. Paragraph 1.a. has been modified to reflect the limitation in obligation of funds imposed by federal law. Paragraph 2.j. has been added to define the responsibility for operation and maintenance after construction is complete.

Please call on us if further clarification or discussion is desirable.

Sincerely,

[Signature]

Acting Director of Logistics
